

The growth and development of Judo in Australia relies upon the passion, commitment and dedication of a vast network of club coaches nationally.

Judo Australia would like to know more about the coaches delivering Judo in our clubs to get a better understanding of who they are, where they came from and what challenges and opportunities they see for club Judo in Australia.

Judo Australia also plans to regularly profile a Club Coach on our social media to promote and acknowledge our club coach's nationally.

If you can please complete the below information and return to Sarah.Quilter@ausjudo.com.au it would be most appreciated.
